## **PRESS RELEASE**

JULY 27, 2011

WEST CHESTER, PA - Swope Lees Commercial Real Estate, LLC recently brokered the lease for American Piping Products, Inc. and Goshen Leisure Development. American Piping Products has more than doubled its West Chester facility by moving into a 3,538 square foot flex space at 15 Hagerty Blvd. in West Chester. American Piping Products joins Creative Playthings, Allvette, and Dougherty Automotive in the Hagerty Blvd. project which is conveniently located just off of Rt. 202 at Matlack Street. Phase one of the new project is nearly 100% occupied. Jim Lees, Bob McComsey, and Chuck Swope, all of Swope Lees, participated in the transaction.

American Piping Products, with headquarters in St. Louis, Missouri, is primarily engaged in the distribution of carbon, stainless steel, and chrome moly pipe, tubing, fitting, valves and flanges used in the processing of energy, manufacturing, fabrication and construction industries

Swope Lees Commercial Real Estate, LLC is a West Chester based commercial real estate brokerage and consulting firm. It serves clients throughout Chester County and southeastern Pennsylvania with services including real estate sales and leasing, financial analysis, tenant representation, and investment sales.
